Banana Apple Oatmeal Cookies

Ingredients:

1 ½ Cups Flour
½ Tsp Baking Soda
¾ Tsp Cinnamon
¾ Cups Butter
1 Cup Sugar
1 Egg
1 ¾ Cups Oatmeal
1 Cup Mashed Bananas
½ Cup Nuts
1 Apple Grated

Directions:

Sift together flour, baking soda, & cinnamon in a medium bowl. In a separate smaller bowl, mix together butter, sugar, and egg. Blend these wet ingredients into the medium bowl of dry ingredients. Fold in the oatmeal, mashed bananas & grated apple. Blend until mixed. Do not Over Blend!

Drop small scoops of batter onto a greased cookie sheet. Bake at 400° about 15 minutes. Cool and store in a plastic container. Or cover with dish cloth to maintain 'muffin like' top crust. Makes about 16 cookies.
