The Landmark Restaurant - Excellent service and food, quiet atmosphere.

C+C Supper Club - Excellent service and food, somewhat noisy atmosphere on weekends. Try the deep fried vegetables.

Oliver's Station - Great place for good food at very reasonable prices.

> Honeymooners: The Nautical Inn surprised us w/champagne once they discovered we were newlyweds. The food was also excellent & they took a picture of us to take along as a memento.

Rode horses at Kurtz's Corral - the 1 hr. Fancy Ride is plenty if you haven't ridden for awhile - we came "home" a bit saddle sore but happy for the exercise and beautiful scenery.

Lunch - very inexpensive, tasty rib eye sandwich @ Pook Corner Pub on 3<sup>rd</sup> Ave. N.

Love this book for restaurant ideas!

"weekend getaway" stay @ your

great. The "Nightengale" was good

After beginning our honeymoon  
with 5 days of camping, we loved  
the warm cozy atmosphere at the  
inn to spend our last few days.  
Some romantic spots:

♡ Grab lunch to go and take  
it to Bay View Park by the bridge.

♡ Slidder Lodge is the perfect  
spot for a quiet candlelight  
dinner by the lake, especially

the weather turned cooler on our  
second week, we had just as good  
a time sitting in front of the

Everyone has been so sweet  
to us throughout our trip -

the staff here and up at

[11-4-89] We've been married almost 9 yrs & never had a real honeymoon so we decided we'd better get to it. Door County & the White Lake Inn made

everything perfect. Rm 11 is absolutely beautiful & very romantic. It'd be hard to go home to a bedroom without a fireplace - you've

spoiled us!!!

We went riding (Chassaback) @ Kuntz Conna & had a blast. The trails are very pretty & Henry, the guide, was great.

Riding (car) up to Gillis Point & back down, you find plenty of places to stop.

Thanks for a GREAT time. We'll be back. ☺

The hot tub, fire place and

Our stay at the White Lake  
Inn has been a most delightful  
experience. Being our 1st stay  
at a Bed & Breakfast Inn our  
expectations were high; that was  
fulfilled beyond those expectations.  
The entire staff has made  
the accommodations very warm  
and special. We look forward  
to a future stay and seeing  
our Wisconsin friends.

The fish boil at the White  
Gull Inn was very good and  
interesting. The food at Scharnere  
is great; the atmosphere very  
casual and relaxed. The owner  
Willie and his friend Butch  
made us feel at home. Be  
sure to have lunch at River Station

We loved our stay at the White Sace Inn. It is very hard to leave, in fact we already stayed 2 extra days than we had planned. Rooms 2, A & B will always be special to us. 6 days with blazing fire and quiet mornings to read and knit. Afternoons were spent in the fine icy State Parks where hiking with boots got us off into beautiful forest without a single frozen toe. White Fish Dunes St. Park is beautiful in the winter with snow capped dunes and the roaring sea. We also went twice to Potawatomi St. Park just a 10-15 min drive south on 42 and with a pleasant shoreline trail, forest and a great look out tower that gives one the view of the rugged shorelines of both Sturgeon & Green bays as well as the tops of the winter trees. Newport St. Park we also explored twice and particularly recommend the Lynd Pt. trail for rugged winter hiking and views of the seal and islands to the north of the peninsula. Restaurants there are a plenty but the White Gull Inn is the most satisfying in delicious original food.

(17-20 Jan) <sup>stay</sup> the White Gull Inn is definitely  
★★★★ for food. We especially enjoyed the  
shrimp & artichoke in wine sauce with Romano  
(special) & the duckling. The rooms are quaint, but  
not as nice as the White Lake Inn. We loved  
the Washburn house <sup>(D)</sup> with a fireplace & whirl-  
pool. Breakfasts are scrumptious & the staff  
(& the cat!) are friendly.

½ ~~to~~ for the Nautical Inn. Ken's star  
scallops were good & the cheese stuffed mushrooms  
very nice, but the salad was brown around the  
edges. The coup de grâce was when the  
tenderloin à la Oscar (nice sauce & <sup>a</sup> good piece  
of meat) came in as near steak-tortare (ordered  
as med-rare) & they took it back to the kitchen  
microwaved it!! We decided to forego dessert!

& a nice nature walk. We even went out on

Decided to go to Peninsula State Park yesterday.  
Saw a few deer in the daytime & later at dusk. Eagle Tower  
has a great view of the park & lake. More people out  
on the ice with trucks! Newport State Park was

beautiful & snowy. (Some folks were x-c skiing)

We hiked along the Lynd Point trail & saw some  
unusual ice-wave forms along the shore.

We went back to the White Gull Inn

Again, the food was wonderful!!

Enjoyed our stay at this beautifully restored Inn. Olive's is great for lunch. Try the Silver Pail - it's very good. Dinner at the White Birch Inn wasn't anything to write home about. 3-4-89 Dennis, Bonnie, + everyone else  
who made our stay so enjoyable,  
We've stayed at many Bed + Breakfast  
Inns but this has been the best!  
The rooms are beautiful and very  
cozy (especially with the fireplace  
on a very snowy weekend!) You truly  
went "the extra mile" to make us feel  
at home with all of the wonderful  
munchies. Thanks again + We'll be back

Bonnie, Dennis & Staff -

The Inn is exactly what we needed, Sturgeon Bay is charming and has been a great escape from the city, and what a beautiful weekend w/ all the snow! We recommend Fook's corner pub for pinball, Patsy Cline on the jukebox, beer and a sandwich. Dennis enjoyed your interest in vintage auto's, want to see them when we come back in Sept! We really appreciate your taste, level and attention to detail; from breakfast to the room decor - great!

Will be back.

We enjoyed this "get-away" immensely! Even in the off season there is plenty to do. Our room was cozy and beautifully decorated.

For dining, we tried "Nightingales", "The Nautical" & "Nancy's Happy Hour". All were excellent.

Our first stay in Sturgeon Bay was indeed outstanding thanks to Bonnie and Dennis. The staff was excellent along with the Bran muffins. Dining at The Nautical Inn for Cajun Prime Rib, The White Bull for White Fish, and the Landmark for Chicken Tempora added to our great time. One word of warning, Sassafras will not give your lap back once she gets them.

Justine gave us a real warm welcome to the Inn. This was a second "honeymoon" for us & the room was so appropriate.

Loved the fireplace & fireplace especially. We enjoyed Nautical Inn & Cherryland Brewery & browsed downtown. Thanks for your warm hospitality & please - keep making those yummy muffins!

Our stay here was beautiful, complete with 9 or so inches of snow. Looking forward to coming back soon. Good luck in '89.

Andres

- service was good but the  
food was fair - nothing special.

Landmark Inn

- good service, nice atmosphere  
food was well prepared;  
veal dishes - tender & juicy.

Nautical Inn

- service was slow - but  
relaxing; food was good.  
the bar also had a friendly  
atmosphere.

The houses are beautiful. We stayed in the Washburn House, rooms C & D.

Last night we went to the Nautical Inn. The service was very slow, but the food was worth the wait.

The Inn is just "wonderful" (says Bob)! We both loved it! Ate fish at Oliver's Station - fantastic. Also ate at the Bayside Tavern in Fish Creek & the Nautical Inn. Service was great there and the food excellent.

Dude hope to return here again!

P.S. Special treat to find "Jas" ~~hiding~~ hiding under our computer!

Also try the root beer & orange at Ollie's!

White Lace Inn is truly a beautiful place to stay. We have just spent our honeymoon and had a great week. Thanks to Mary who did more to make our stay enjoyable, and also to Sassafrass!! ~~###~~

We highly recommend "Shartners on the Shore" 4 miles north of Sturgeon Bay on 3rd Ave. N. also called Bay Shore Drive.

Very casual bar & Restaurant with great food a guarantee and the most wonderful people we've met here in Door County. Willie Shartner is the owner and is a baseball freak. Let him going on St. Louis Cardinals what a crazy guy!!!

also food at the White Hall is an absolute must! (Be careful of ordering fish

around here if skin & bones bother you) Fish boils are not for the picky eater. Thanks to Bonnie & Dennis for such a beautiful haven from everyday life. Tip on room #2 in the main house: Turn the lights in the bathroom on very low, ~~power~~ shut off all the rest of the lights and shut the bathroom Door - Creates a beautiful, romantic light across the bed.

Room #D in Washburn house beautiful and so was #9 in the garden house.

Honeymoon was PERFECT!! Should you like a Big Screen TV for football, baseball, etc, the place to go is the Racquet Club. Also, wear through the town. shuts down around 10:30 or 11:00 PM, there are two all-night stations open that have food, beer & munchies.

should you need them. Also,  
if you love art, it is a must to  
see Robert Rucis Gallery in  
Egg Harbor. It's breathtaking.  
Thanks again for a wonderful  
stay. We will be back!!!

My husband and I celebrated  
my birthday here. We made reservations  
last year as we were passing through.  
We made plans for another couple  
to join us so that we could  
experience the beauty of the White Lake  
Inn together. And so we did!

We all drove up to top of Door  
County through a "RAGING BLIZZARD"  
and of course stopped at all the  
open shops. Some had "SHUT"  
signs. We found a few open.

Being together, laughing, loving, eating,  
enjoying life - what more can we want?

We couldn't have dreamed  
of a more peaceful, beautiful,  
romantic place to spend  
our honeymoon!! Even  
though this is a slow  
time of year we still  
found plenty of things  
to do. Cave point is  
a must - the view is  
just beautiful, not to  
mention the scenic  
drive there. Breakfast  
here at the White Lace Inn

just can't be beat - all  
the homemade breads and  
muffins are delicious - we  
were spoiled!! We enjoyed  
dining out as well. Our  
favorite place was definitely  
the Landmark. The view  
was beautiful and the  
food delicious. It's a  
must for dinner! We  
were not as happy with  
the Nautical Inn - service  
was good however the food  
was very disappointing,  
steak and seafood both!!  
Everyone here at the  
White Lace Inn is so friendly.  
Will definitely be back for  
our anniversaries!!

We seem to have found the right place to celebrate honeymoons. Ours also was wonderful! We thoroughly enjoyed the "Tower Room" and felt very lucky to be able to get it. Our stay in Sturgeon Bay and Deer Cty. was great. The hospitality was also great. We will recommend it to other people.

Our stay in room #6 in the Garden House was lovely and enchanting - like stepping back in time 100 years.

I've been in need of a getaway  
for a year at least and I  
had a romantic peaceful  
luxurious inn in mind.  
I tried to paint this  
picture in Frank's mind  
so he could find the  
perfect spot. Our 1st night  
here he asked me if this  
was what I pictured &  
I said yes. But really  
this has been more than  
perfect. I really hate to  
leave today but I know  
that will return when  
the crowds are gone &  
there are few people

This is our second visit  
to the White Lake Inn. We  
were here 6 months ago for  
our honeymoon. We've stayed  
in room #1, room B and  
now room D. They were all  
great! We could just sit anywhere  
around the inn and just look  
at how beautiful everything is.

To explore Door County -  
Stop and see Cave point park -

1st time at the White Lake Inn - Beautiful  
place to stay. Enjoyed biking at Peninsula  
state park, white fish dinner was beautiful,  
but the beach was littered with dead fish.  
The sunset and the food were excellent

Dinner at the Nautical Inn was  
great, ~~and~~ <sup>and</sup> there was not a wait

This was also our first visit to White

The area is beautiful and we had  
a good time, although brief,  
exploring. We had dinner at the  
Nautical Inn. The food and service  
were both very good. We will  
recommend the area to friends

they must stay at White Lake

We had dinner at  
the Jandmark restaurant  
& would highly recommend it.  
The atmosphere and view  
of the sunset were the  
greatest. Bailey's Harbor  
Yacht Club had a good  
break buffet on Friday.  
But the service & atmosphere  
were really lacking. The  
Nautical Inn had good  
food - but don't order  
the stuffed mushrooms or  
any omelettes. Having  
a great time at the  
Inn!

We sure are enjoying our vacation in Door County, with one of the big highlights being the White Face Inn! We have stayed at several country inns in New England and the White Face is as nice as the best of them!

We have recently developed an interest in lighthouses and we are surprised by the large amount of historic lighthouses in the Sturgeon Bay area and around Door County. It's worth a stop at the Sturgeon Bay Canal and Sherwood Point lighthouses for those who have an interest! We will be back!

A really wonderful touch  
was the concert by the honey-

very friendly staff helped give

Pellotters (Fish Bowl) was  
as always, very good.

The Golden Fudge, however,  
was not a place I'd recommend.  
My wife & I, both had the evening

both of us found them unsatisfying.  
I would not recommend the place

6/5/89 - White face very homey, quiet,  
beautifully decorated. Places to  
Eat: Fish Boil in Fish Creek's  
White Bull Inn. Excellent food  
+ exciting to watch preparation  
over open fire. Nightingales  
in Sturgeon Bay had good  
steak + prime rib. White  
Birch Inn was a fairly  
mediocre meal but the  
hot bacon dressing was good  
+ different.

Our stay was most enjoyable.  
A great way to spend our 25<sup>th</sup>

had such an enjoyable time. The

The White Lace Inn is everything we've expected and more!! From the handwritten confirmation notice to all the other very personal touches - as restaurant managers were ready to make a switch to inn-keepers. We had dinner tonight at the Nautical Inn. This is our first stay at a Bed & Breakfast Inn and it truly is a delightful experience. In fact we left the peninsula to return home (after finding 'no room at the Inn' for last evening) and having been told Wednesday evening was available, we back tracked 100 miles. ... A good move - to say the least!! We'll always remember our stay. It is a very beautiful "home" and we've met some great people!

Our dinner meal was had at the Nautical Inn and we very much enjoyed it.

I HAVE BEEN WANTING TO COME HERE FOR THREE YEARS AND THE WHITE LACE IS EVEN BETTER THAN I IMAGINED. THERE IS ABSOLUTELY NOTHING WE COULD FIND FAULT WITH.

WE HAD A WONDERFUL SUNSET DINNER AT THE BAILEY'S HARBOR YACHT CLUB. WE WENT ON FRIDAY NIGHT FOR THE SEAFOOD BUFFET. IT WAS EXCELLENT. BUT IF YOU'VE BEEN OUT ALL DAY AND YOU'RE HUNGRY OR YOU JUST DON'T WANT AN EXPENSIVE MEAL EVERY NIGHT, TRY MY SISTER'S CAFE IN BAILEY'S HARBOR. IT WAS A FUN LITTLE PLACE WITH GOOD FOOD THAT IS PLENTIFUL. WE BOTH HAD 3 BEERS AND A FULL DINNER AND THE BILL WAS \$11.18!! OUR KIND OF PLACE!

HAVE FUN! WE DID!

Our first visit to White Lace Inn very lovely. We came here to rest and it is very peaceful. It is also so nice to have "housekeeping" daily when you're used to being home with a family. My husband and I truly enjoyed our stay. We tried to get reservations at the White Gull Inn for the fish boil, but you need to make reservations a week or two in advance. We tried Pelletiers, but got there and their fish boil and atmosphere is that of my high school cafeteria. Staff was also rude. Luckily we tried White Gull Inn for a cancellation and they had a "no show." It was great! Best fish we ever ate and beautiful, rustic atmosphere. Walk down from there to lake park. Nice view. Had a very nice time.

Friendly  
staff.

So sorry to be leaving after a 5-night stay! Our room was both beautiful & comfortable. The whirlpool is great, but be careful with bubbles bath! We almost overflowed once.

Restaurants we liked:  
Sister Bay Bowl - great steaks, good bread, salads, fast service.

Oliver's station in Sturgeon Bay: pub like decor, good burgers, great parmesan fries

Newport State Park has a beautiful beach & great hiking along the lake. The beach was not crowded at all at the height of summer.

Old Orchard Antique Mall has lots of interesting stuff to browse through. (cont)

We're already planning our next trip here, & we will highly recommend Door Co & the White Lake Inn to everyone!

We found your pamphlet and made reservations for the first night of our honeymoon at the Washburn house.

The room was perfect, very romantic in everything from decor, to the fireplace and whirlpool.

We only planned to stay one night but at breakfast we decided to spend a second night in the main house.

We are already planning to come back and recommend it to our friends.

ROOM B IN THE WASHBURN HOUSE IS A VICTORIAN PARADISE, WE FELT LIKE ROYALTY.

• THE GLIDDEN LODGE WAS INTERESTING, JIM YOUR HOST WAS A SCREAM. TELL HIM THE "YOUNG MEECH'S" SENT YOU. THE FILET MIGNON AND CHICKEN DIVAN WAS GREAT HOWEVER, THE MOUNTAINOUS CHERRY TART WAS INCREDIBLE! ★★ ★ 1/2

• THE NAUTICAL INN IS WITHIN WALKING DISTANCE AND CONTAINS MUCH HISTORY ABOUT WHAT THAT BUILDING WAS IN THE 20'S. ASK ABOUT THE UNDERGROUND TUNNELS. THE BUCKENED WHITFISH WAS WONDERFUL. PASS ON THE SOULM STEAKS. ★★ ★

the White Lake Inn. The rooms  
are beautiful and so comfortable.

We'll surely recommend this  
Inn to all our friends. It's a

It's been one year of  
a great marriage and we're  
back for our first anniversary!  
Seeing White Face again is  
great - everything is still  
pleasant. Renewing past  
friendships is the best -  
Mary and Patti - the innkeepers  
are great company and  
catching up on the past years  
events is interesting. We  
also saw Roger Stark.  
Stop by his gallery on 42-North  
in Egg Harbor - he does oils  
and acrylic and his wife  
Turdy has a beautiful  
antique shop. If you're  
kind of beat and would  
like some great home-made  
Chicago-Style pizza try  
Jolly Rogers pizza right  
here in Sturgeon. His  
brand new and he's also Roger  
Stark! We just have it  
delivered! Tell em Scott &

May sent ya -

Dear Bonnie, Dennis & staff,

Thank you for making our  
10<sup>th</sup> Wedding Anniversary Special -  
We loved our room, the food,  
the gift items, the food - we  
felt like we were coming home.  
The small gift was wonderful.  
You made us feel special because  
you remembered we were here  
before. As always the staff was  
great! Thanks for a lovely place  
to "rest".
