Thanks for a lovely and relaxing stay; we all enjoyed it. We had some very pleasant meals at the Inn at Cedar Crossing + the ~~the~~ White Gull Inn. To be avoided - the Nautical Inn - the food was horrible + the service was worse. Top burger in town - Olivers.

Thank you for a nice rest.

Our sister and brother-in-law stayed here for their honeymoon back in September and told us how romantic it was, so we had to come here

for our 6th anniversary, it sounded so good. It has more than lived up to its reputation.

The breakfast was

wonderful! The room was cozy, lacey and fine! Maybe a victorian dress or lingere could be in a display case in each room. Wonderful Victorian New Years!

Thank you,

Room 6 - Romantic

This place is filled with detail and dainties which enrich the lives of each guest and visitor. We were certainly touched. Diane and I felt like two spirits living in a different time and place. It's like

being in a fairy tale world - surrounded by a delicate, Victorian atmosphere, and all you have to do is dream! There is so much here that is apart of Diane and myself

we hope to return often. We also hope our future together as a married couple can be filled with the same sturdiness of the old and the excitement of the unique. In

future guests who come... you'll find the same friendly, helpful attitudes of people all over town that you found here.

Will be back!

when we were in planning our honeymoon in Montreal, Canada we contacted a Bed & Breakfast Network to arrange our accommodations. We pictured a

country inn much like the White Horse to begin our lives together. I imagine the shock when we pulled up to a very modern, high-rise

apartment building near downtown Montreal. We then found out that not only were we to stay (for 4 nights) in this shoebox of a modern

apartment, we were to sleep in its occupants' bedroom & she would sleep in the den in the next room. Besides there being pictures

of our clothes all over the bedroom and the fact that the bathroom was filthy, (with a big pile of dirty towels on the sink)

we were also informed that she would have to come into the bedroom & get her things every so often. We almost turned

away from the idea of going home (We did stay there 1 night & then arranged Holiday Inn accommodations. Our 1 breakfast consisted

of burned bagels, cold cereal & old grapefruit. Not the way to start a honeymoon!

This all makes us both appreciate the warmth & hospitality of the White Horse Inn so much more. We can laugh about Montreal

now and are enjoying our 8th month of marriage!

It's hard to believe that a last minute vacation planned just a week ago could turn out so grand. How lucky I was to find "a place at the Inn"! The charm and hospitality of the Whiteface Inn will be a treasured vacation memory.

Door Co. has been a wonderful place to discover Wisconsin. 3 1/2 days wasn't nearly long enough, my "relaxing" vacations went right out the window trying to squeeze in all the activities. Here's a few of my favorites - sailing cruise on Bella in Ephraim was almost

The Heritage Ensemble at the open-air amphitheater is fun and only \$4. I bought one of the performers music cassette, "Who Kited the Moon" and I highly recommend it for Door Co. driving - The paint box gallery and the Summer Kitchen (Casseroles/chicken salad) in Ephraim are worthy stops - Visiting with the Torn family at Torn's Sugar Bush is another good stop.

You can tell I had a great time and I'm looking forward to revisiting the Whiteface Inn on Door County!

December they will have been apart that long
because of Military Service) -- I hope they
like it as much as we did.

9/6/90 Hi!

Brian & I just spent 4
wonderfully romantic days
here on our honeymoon. We
feel in love with the inn
and everyone here. The
smell of freshly baked goods
woke us up every morning
and we looked forward to
popcorn and lemonade in
the afternoon. Nice touch!
Room 3 was a wonderful
get-away. We ^{look} forward to

Good, I am definitely in awe ~ this beautiful, romantic, breathtaking inn is superb! This is our second night here & we decided to spend some time in the main house parlor. My husband is relaxing in front of the T.V. sipping on lemon-aid & of course, munching on your wonderful cookies ~ I also had to try one ~ my husband pulled my arm! We are here celebrating 5 years of marriage ~ our Anniversary & what a better place to get-away from the busy city life ~ Room B is simply irresistibly romantic ~ from the minute you open the door your senses slowly drift into a calm atmosphere of elegance ~ & the piano music on tape added such a special effect along with the double whirlpool & two sided fireplace ~ what can I say except thanks for creating such a "Beautiful Inn" for people like us who need to escape every now & then. Your Inn is all that I dreamt it would be, and more! The furnishings are so beautiful, the food delicious, and service more than perfect. This was our first trip to Door County, and we found the staff so pleasant and helpful. Judy, Mary & Justine truly made us feel special. I hope to be back.

When my friend & I planned this trip with our mothers we hoped it would be a special time. The staff and atmosphere at the Inn made that hope come true. We absolutely loved it! The special attention given us (never too busy to talk) made us feel so special. We loved coming back each day from shopping & sightseeing to "our home." It is a memory I'll never forget. We were married on Sept. 8th
and decided to honeymoon in
Door County. Our room was like
being in Grandma's house but
very much nicer. The Garden
House was very comfortable
and I liked the seclusion of
our room + our own stairway.
The fireplace was a nice touch.
We thought the room was just
great, especially the comfortable
bed. We will try to come up
here for our first anniversary.

Thanks very much!

also had fun miniature golfing at Pirates Cove.
The collectors showcase just North + West of

This is our last night here. After 5 glorious days, I can't believe it's coming to an end.

As many other people we are here on our honeymoon. Room 6 in the Garden House has been a dream. I don't think there is anywhere more romantic than the White Lace Inn. From the ~~the~~ incredible antiques to the roaring fire this place just oozes with romance. And the people here just made the whole experience special. While we were here, we →

discovered several great spots
in Door County.

The Inn at Cedar Crossing
is a nice "downtown" spot in
Sturgeon Bay. The food is
delicious.

Periwinkles is dreamy. The
atmosphere is elegant - the
view incredible & they have
great Strawberry Dagurris.

Nightengales has some of the
best ribs I've ever had.

This honeymoon has been
better than I could have ever
imagined. I think I will always
cherish this place & the time spent
here.

And I am determined to
come back every year until
we have stayed in each and
every room!!

Thank you for everything

We were just fine

That was four years

more so, and the people
here are so welcoming.

memorable stays.

Well I finally got here. I've heard about this place before we were married and knew it was for us. We tried to get a room here for our first anniversary, but didn't have as much luck. So while we were here in (Stuyvesant) we booked a room at the White Lake Inn for our second

year anniversary. We have enjoyed every moment. After a long day of "being tourists" our whirlpool tub and fireplace was much appreciated.

We thank all of you for your extra touch of warmth and hospitality. We have taken many brochures to pass out to friends. My husband already promised we'll be back for our 3rd anniversary.

This has been our second stay here -
we are booked for next year already -
and talking about February or
March for another stay. Our unique
combination of Crude and Prude
come to the fore and White Lace
always brings out the best of each.
Thanks for everything.

After all the planning and months
of anticipation of our wedding day,
it was nice to get away on our
honeymoon (here at the White Lace Inn.)
It was nice to spend a few days

just relaxing - with no plans. We looked forward to coming here almost as much as our wedding day itself. We will have many fond memories of our stay. Uncle Dennis & Aunt Bonnie and their staff would have done back-flips if it would make their guests happy.

We'll be back soon!

We've been to the White Lace ~~now~~ almost 1/2 dozen times now. We fell in love with it from the start. Room B is beautiful. The fireplace, Whirlpool... The cookies!! Mary should also open a Bakery - real Cheery, wonderful hostess. She made our stay brighter! A must --

Al Johnson's - the Swedish pancakes - Yum! - (The perch & potatoes were also excellent.) ~~has~~ To get off the food kick (Can't tell it's getting close to dinner???) Anyway - I first heard about White Lace Inn from a friend who got a brochure when she & her husband came up to Door City. What prompted us to go -- was the sound of "Victorian". I love the romance of the Victorian look. This place had everything from the gorgeous lace, antiques - everything!! It's very hard to find a B+B with a fireplace AND a whirlpool & a lot of space (Washburn House) has it →

We've enjoyed the slow pace of
life for a couple days. The shop
was a great place to unwind. The
room was very cozy with the
nice fireplace. We'll certainly
be back for another romantic
weekend! P.S. I had the best
fried pork I've ever had at the
Nightingale.

We were here last year for our honeymoon and couldn't resist coming back for our 1 year anniversary. We stayed in the same room (A) and it was even better than we remembered. Staying here again brought back a lot of beautiful memories and gave us the chance to make many more to remember the next time we come back. (Soon I hope!!)

We stayed here for my birthday (11-12) for 2 nights. It is the best B+B we have stayed in yet. The staff is genuine & makes you feel at home. The rooms are beautiful, they seem to take you back in time. Thanks for a wonderful experience.

Our friends, Paul & Jackie Sjoberg recommended the White Lace for our honeymoon. I'm glad they did. The rooms are lovely; the whirlpool is intoxicating. It even made us miss breakfast!! Not that we minded. The White Lace was a very welcome place to begin our life together. After all the hurry of our pre-wedding weeks, it was great to just be able to relax & enjoy the Inn. We're planning on returning with our friends someday.

It has been a delight staying here
at the White Lace Inn. You could
not ask for better surroundings,
friendly people, a beautiful scenic
old house naturally decorated
with great care, and the best
of hiking trails to forget about
the rugged city. I would definitely
recommend the White Lace Inn.

Dear Bonnie and Dennis,

We missed you. Heard you were out east shopping for dishes. This was our first time visiting you. We stayed in room 9 for the weekend. Enjoyed your breakfast and

hospitality. This is very unique. We had a pleasurable stay - took most of the scavenger hunt - whew! It was dark before we finished but it was a fun way to see the county.

We're sure to return,

We love your Inn. The special touches all our really make the Inn. I especially love the messages in the bottom of the coffee cups. The Nightple restaurant has great lobster. This is our first time here but certainly won't be our last. Also we will pass the word around about your fine establishment

This is our first time at the Whiteface Inn. Jon surprised me with this vacation weekend for our "17"th Anniversary. What a sweetheart!! The weather was great this weekend. We drove around the whole Peninsula, did some shopping and sight-seeing. I really enjoyed watching the deer at the State Park. I even dragged Jon to see a movie, if you can believe that! Thanks for a wonderful weekend!

Boy, it's tough to check out of the WHI—the only thing that makes it easy is the knowledge that we'll be back in July for our honeymoon. We really enjoyed the scavenger hunt, even though we didn't do very well on answering the questions. It was well worth the trip. Even the weather cooperated—it was almost spring-like! We'll be talking about this weekend for some time to come. We are really looking forward to returning. Thanks for a great time! (We've heard so much about Sassafass—maybe you'd consider another Inn Kitty?)

OUR STAY AT THE INN WAS TRULY ONE OF THE BEST WEEKENDS I'VE EVER HAD. WHAT A COMFY BED! THE SCAVENGER HUNT WAS A GREAT TIME, (EVEN THOUGH WE WERE VERY LOW ON GAS AND ^{with} A LEAKY TIRE) WE DROVE THROUGH THE WOODS AND COMPLETED THE ENTIRE HUNT... PART I. THE WEATHER WAS GREAT, THE MORNING MUFFINS EVEN BETTER. WE RECOMMEND DINNER AT THE INN AT CEDAR CROSSING—VERY NICE! WE'RE LOOKING FORWARD TO COMING BACK IN THE SPRING TO SEE THE GARDENS. THIS WAS OUR FIRST STOP AT THE INN, A BIRTHDAY PRESENT FOR ME... 29 I FIGURE IF WE REPEAT THIS TRIP EVERY YEAR, TRYING EVERY ROOM, I'LL BE AN ANNUAL GUEST AT ^{THE} INN TILL I'M 46!

Our weekend @ the White Lace Inn was a Christmas gift we gave to each other.. It has been extremely delightful & overwhelmingly romantic! The soft white, new fallen snow enhanced the already picturesque atmosphere. The walls of the Inn could barely contain my excitement.

Our time together, here, has brought our friendship to a new level of appreciation & romance... All the attention given to detail is wonderfully executed!! Rita & Jim

What a fantastic place. Everyone was so wonderful. The rooms were beautiful & romantic. My boyfriend & I spoke words that we never talked about which brought us closer to each other. We hope to make this a yearly event with some day of being one! I wished we never had to go home.
